## **MARCH PROGRAM**

### **Wednesday 1 March Bendigo - East side of Railway**

Leader: Jim Cone

Phone: 9560 8175

Rendezvous : 9.56 a.m. at Bendigo Railway Station

Map : Wilkins Bendigo Tourist map

Grading: Easy/Medium

Distance: 12 km.

Transport: 7.41 V/Line Bendigo/Eaglehawk train ex Southern Cross, arriving Bendigo at 9.56. Seniors Off-Peak Concession; or Seniors voucher (MYKI = \$20.16 return); Return train from Bendigo at 1.36, 2.38, or 2.56.

Morning Tea: On the train.

Walk Details:

An easy to medium walk with some low hills up to, and including, the Goldfields Track. Firstly along Spring Creek, then to Diamond Hill lookout for lunch: typical dryland open forest.

Notes: Good views, some wildlife.

If attending - secure an updated V/Line timetable as changes have been made and may continue. Appreciate that Bendigo is in a different Fire Zone from Melbourne; so that a fire ban can occur in Bendigo even if not in Melbourne. Bookings and tickets should be secured ahead of time: a pleasant day out in Bendigo would include lunch but without the walk - that is: if a fire ban were declared between the time the tickets were bought and the walk event.

## **A LONG WEEKEND IN THE HIGH COUNTRY BASED AT MT BEAUTY- FRIDAY 7 APRIL 2017 - SUNDAY 9 APRIL 2017**

As advised in last month's Circular a long weekend has been organised in the Victorian High Country based near Mt Beauty at Tawonga South.

Walks will be arranged each day under the leadership of former Club President and local resident, Ian Smith.

To date nine people have expressed interest in coming and shared cabin accommodation has now been booked. There are still vacancies but a definite commitment is now required from anyone else wishing to come.

**Please contact Kim Rosen by email on:  
kimtjrosen@yahoo.com or 0422 804 816 if you would like to come.**

### **Federation Weekend 2016 a Huge Success**

After a year of planning, we finally did it! We accomplished a very successful Federation event, which is something our small club – Wimmera Bushwalking Club – is very proud of.

The stress levels were high in the weeks leading up to the big weekend because of one of the wettest Septembers for quite some time was causing havoc, with the closure of roads and walking tracks.

The Grampians experienced 328mm of rain in September, and another 111mm in the first week of October – the week before the event! With Lake Wartook overflowing for weeks and GWM Water releasing mega litres of additional water, Zumsteins was completely cut off for several days.

We didn't get confirmation that Zumsteins would be open for us until 3pm on the Friday before the weekend. If it hadn't re-opened, it would have really messed with our walks program as five of our walks needed to use that route.

The two walks that were to use the McKenzie Creek Track had to be changed at the last minute to waterfall tours where participants would visit three or four nearby waterfalls.

The high water level at Deep Creek meant the Deep Creek walk had to be changed on the Saturday to a walk to the Mt Stapylton summit and back. The Deep Creek walk was able to proceed as normal on the Sunday.

Much time was spent in the week before the Federation Weekend in driving on and checking the condition of various dirt roads in the Grampians and Black Range. Some were pretty cut up and rough. Parks Victoria had kindly given us permission to use the closed Wallaby Rocks Road to access the start of the Asses Ears walk.

Finally, Friday came. We set up at the Laharum Sports Ground. Registration opened at 4pm and it was all on, with dozens of keen bushwalkers rolling up, eager to check in and receive their welcome packs. The packs included the Federation Weekend's walks booklet and the magnificent photo landscape book Gariwerd, Reflecting on the Grampians, generously donated by Gib Wettenhall.

Our registration volunteers were kept very busy on three registration tables and the Help Desk was flat out dealing with people wanting to

make changes to their allocated walks and other queries.

Approximately 230 walkers checked in on the Friday. The rest did so first thing Saturday.

Saturday arrived and all our prayers had been answered and we were greeted by a perfect sunny, calm, blue-sky day. We couldn't have asked for better.

It was an early start. Leaders and walkers arrived to get ready for their big day. The venue was a hive of activity over the next two hours with walk departures arranged to leave every fifteen minutes.

Groups gathered on the oval beside their walk numbers before heading off in their car convoys to their destinations and a great day of walking.

Thirteen of our own club members were tasked as walk leaders or co-leaders on Saturday and they did a wonderful and professional job leading their groups. The volunteers back at base had a bit of quiet time after the last groups left.

Chris and Steve waited nervously for a dreaded phone call advising of some accident or injury. Thankfully no such a call was received (except for one false alarm).

Mid-afternoon saw the first groups of walkers returning to the hub. All appeared excited and chatty about their various experiences. They settled in for afternoon tea and sat around swapping stories. It sounded like they had a great day in lovely weather with heaps of wildflowers on show. The beautiful calm weather held out for our Saturday evening dinner.

The Laharum Committee set up all the tables and chairs on the oval and had been busy all afternoon preparing two delicious spit roasts.

It was just how we had imagined it to be: a fine evening on the oval with the Grampians as a backdrop. The weather gods were definitely smiling on us! Everyone enjoyed their meal.

After the main course there were speeches by: Councillor David Grimble from Horsham Rural City Council; Chris Dunmill, Wimmera Bushwalking Club's President; Peter Campbell, Bushwalking Victoria's President; and Steve Knoll, Walks Coordinator.

After dessert, the guest speaker – David Roberts, Area Chief Ranger, Parks Victoria – gave a very appropriate and interesting presentation on the Grampians Peak Trail. He enjoyed speaking about it to a large group of people who really had an interest in it and

may one day walk it.

Despite the evening getting a bit chilly, everyone seemed to really enjoy and be enthusiastic about his talk.

The walk from Zumsteins to McKenzie Falls was completed and by all accounts the falls were spectacular.

The Mt Thackeray walk ran into trouble soon after going through the gate to the Goat Track on the Victoria Range. A huge fallen tree blocked the path.

They retreated to Buandik where by good fortune they met the Aboriginal Art Site Tour group (who had decided to do their tour in reverse this day). So they tagged along with them for the rest of the day.

Several groups reported small fallen trees across roads en route to their walks, but they managed to negotiate them one way or another and continue on their way.

All leaders and co-leaders are to be congratulated on the way they managed their walks in such difficult conditions.

Despite any changes to walks, it sounds like the majority of people still managed to have an enjoyable day and in some cases a bit of an adventure.

With all groups arriving back safely to Laharum, there was much trading of stories of their windy adventures over a nice cuppa.

Fond farewells were said before the walkers started making their way for home. There was a lot of praise for Wimmera Bushwalking Club's magnificent effort in organising an enjoyable weekend.

I would like to thank all our club members who helped out during the year with the organisation and all those who helped on the weekend.

The leaders and co-leaders were great and the show wouldn't have run without the volunteers and their hard work back at the venue.

A huge thanks to all the walk leaders and co-leaders from other clubs who volunteered their time for the weekend.

We could not have done it without you. You all did a fantastic job and were very much appreciated.

Thank you everyone.
