Mt Buller Lodge

Did you know that the Mt Buller Lodge is available to members of the MWC? You can use it winter or summer.

Maybe you're a family member, a walker or a skier? You don't have to be a member of MWC, but be a guest to one who is!! There are some

protocols for safety reasons, but check it out!

It is fully self contained, hydronically heated and offers en suites to each of 5 bedrooms. There's a games room and a TV lounge. The kitchen has up to date white goods. In summer a BBQ on the deck is enjoyable for a lunch or dinner. The rates are generous and competitive.

So members, please consider visiting the Lodge, bring guests, make a booking and encourage your families to visit there too.

Bookings can be made through the booking officer Ian Morton at:
ianmorton@optusnet.com.au

The Donna Buang Hut

The Donna Buang Hut is available for use by members and their family and friends at most times of the year. You may choose to visit either for the day or an overnight stay. The Hut is in terrific condition. It's bright, clean and tidy. The only restricted times are days of total fire ban or high risk of fire.

For bookings contact David Kerferd by phone or email at:
donnabuanghut@melbournewalkingclub.org

Laugh With Lance

One of the sheer joys of pack carrying is when it stops.

Programme Amendments

Please note the following amendment to the 2017 Programme:

- October 4 - was Greensborough - Blue Lake, is now Alphington - Macleod, leader is still Keith Tupper.
- October 30 - Middle Brighton—St Kilda—Easy Metro - leader was Bruce Armstrong, is now Hugh Gibson, 9897 3645, 0429 173 501.

Leaders Required for 3rd Wednesday Group

We have vacancies for Leaders in the 3rd Wednesday Group. No prior experience is necessary, but having had Metro Group etc. outings would be an advantage. The walks to be led have the following general requirements:

- The main aim is to have Morning Tea [rendezvous/toilet] at the same place as lunch. This allows for non-walkers, or short-walkers, to still attend for lunch, a stroll etc.
- If this aim is not feasible, then the need to carry lunch, escapes etc. should be highlighted in the Circular Notice.

- As a guide, a walk length of about 4 - 6km [am], 2 - 3km [pm], all up 6 – 9km is usual.

As a consequence of the aims, walks usually comprise a loop circuit, or linear out and back to the lunch place.

Interested members would be gratefully welcomed by the organiser, by contacting Travis Clark on 9874 6326, 0407 272 333, or by email to tec11942@yahoo.com.au

Help Required For Work At Walter Briggs Hut

Help is required from members with practical skills to carry out some maintenance work at the Walter Briggs Hut at Mt Donna Buang.

One of the current projects at the hut is to repair the corrugated iron roof. In particular the roof sheeting needs to be refixed and made waterproof. It would be appreciated if someone with skill and experience in this type of work could contact the Hut Convenor, David Kerferd by phone or email at donnabuanghut@melbournewalkingclub.org

Assistance is also required from someone with a trailer to remove the old mattresses from the hut which unfortunately have been attacked by mice.

Other projects include repairing a hole in the internal wall and repainting the exterior of the hut. Regular working bees are organized at the hut and any practical assistance is always welcome.

Trevor Rosen, President

There's Snow at Mt Buller!

On behalf of the Mt Buller Lodge Sub Committee, Leigh Unsworth has reported that Mt Buller has received an unprecedented amount of snow for this time of year, with nearly 1.5 m currently being recorded. This will make for a very good and extended spring skiing season. Bookings at the Lodge are available for September and early October.

Buller Sub Committee all-inclusive walk

On Sunday 10 December Leigh Unsworth will be leading an easy 10km loop walk from Bushrangers Bay to Cape Schanck. This will be the annual Buller Sub Committee all-inclusive walk. More details in the next circular, but if you want early information contact Leigh on 0408 504 087.

Rendezvous: Warburton, 10am. At the café at the far end of the township on the left hand side, an old garage site. The slightly later meeting time will make it a little easier for people.

Overnight Pack Carrying Walks

Anyone interested in Overnight Pack Carrying walks? If so, please contact Tony Cagney, phone: 0411 84 36 09, or email: tony.cagney@optusnet.com.au

These walks are not currently being provided by the club but have proved to be very popular in the past. The club would like to know if members are interested and can commit to walking overnight carrying a pack. Please email/call Tony to let the club know you are interested and share ideas for walks (e.g. duration, distance, destination).

Mallacoota - Croajingolong National Park Trip

The Club has organized a base under cover trip to Mallacoota and Croajingolong for March 2018. We will stay at Karbeethong Lodge in Mallacoota for five nights from 15 to 19 March 2018 inclusive.

Transport will be by private car although there is a daily train to

Bairnsdale and on most days a connecting bus service to Genoa then Mallacoota. There are great walks and beautiful scenery in this area.

Karbeethong Lodge is an older style lodge which is full of character and has magnificent views overlooking the water. Most rooms have an ensuite bathroom and there is a large communal kitchen and lounge area. A continental breakfast is included. Apart from doing some walks we plan to do a half day boat trip up the channel from Gypsy Point.

We have negotiated a reduced daily room rate of \$150.00 per room which is \$750.00 for the five nights. Most rooms have either a double bed or two single beds. At present five rooms have been reserved but more are available if there is sufficient interest.

There is high demand for bookings at the lodge during this period. So in order to secure a reservation a deposit of 50% must be made by 30 September 2017. The required deposit is therefore \$375.00 per room for the five nights. No bookings will be accepted without payment of the deposit. A deposit is fully refundable by the lodge if a cancellation is made not less than 6 weeks prior to the reserved date.

If you would like to come please contact Kim Rosen by email on: kimtjrosen@yahoo.com or mobile 0422 804 816.

The End of the Archives Sub Committee

The Archives Sub Committee was created by Ian Leslie in 1976, there was an intermission from 1980 and with the loss of the Little Bourke Street club rooms the collected material was scattered among a number of members. I have been involved in the Sub Committee from its inception. The Sub Committee was reformed by John Moore in 1995 and with great effort the scattered material was recovered and the Sub Committee has worked closely with the Royal Historical Society in mounting the bushwalking exhibition some years ago.

At a meeting last year the Sub Committee realised that there was very little need for it as current activities are met by the Legal Deposit where our material is lodged with the State and National Libraries.

The Sub Committee considered ongoing Club records and how they could be handled. As these records are essentially either lodged with the State Library as part of Legal Deposit the other essential material to be archived was the Executive Minutes, given the volume of these it was felt these could be lodged by, say, the Secretary every three years provided firm details were provided on the procedure. It

considered whether there were any other major development which could create a new series of important records and felt that the Buller Lodge was at a stable state and likely to remain so for many years.

So, as no other Club member has shown interest, the conclusion was that once the current held material was lodged with the State Library then the Archives Sub Committee should be terminated.

Robin Bailey.

Vale Harold Ogilvie

Harold joined the Melbourne Walking Club in 1956. He was a member for 61 years. His contribution to the Club was significant. He acted as Activities Officer for a period and was a great contributor to extended walks both local and overseas.

His personal qualities were a great sense of loyalty, total integrity, a robust and positive attitude and a great sense of humour. He was a popular figure and no one ever heard him complain.

His many friends are saddened by this loss and we extend our warmest thoughts to Margaret and family.

John Moore, Life Member.
