Laugh With Lance

Most children threaten at times to run away from home. This is the only thing that keeps some parents going.

Archives Sub-Committee

The Club executive is looking to hear from anyone interested in reviving the Archives Sub-Committee, which was recently disbanded as was noted in the October 2017 circular. At that time it was felt that there was little work for the Sub-Committee to perform, but there is always a small amount of material that may need to be archived. Anyone interested should contact the president, Trevor Rosen on **9882 8593** (email president@melbournwalkingclub.org), or Michael Corrigan on **9571 3227** (email secretary@melbournwalkingclub.org).

Reminder for Leaders of Metro Walks

When the walk has been completed, the track notes and maps provided should be updated to include any changes to the route, and to highlight any escapes or options that members who may not wish to walk the whole distance can use.

Two copies of the updated track notes should be forwarded to Oliver Lucas or emailed to David Watkins at

What's on in Mansfield and the High Country this month

As MWC members you all have access to excellent and very cheap accommodation at the clubs lodge from which you can enjoy a wide range of activities, shows and events in one of Victoria's most progressive, vibrant and picturesque regional towns. If you haven't been to Mansfield in the last 10 years you should make the effort as it's a wonderful place with lots to see and do and only 30 min from our clubs lodge.

During summer in each circular we will be providing a small snap shot of some of the upcoming events in Mansfield.

In November:

- 2nd - Mansfield High Country Festival
- 2nd - 42 Annual art exhibition, grand garage parade, sculpture exhibition and vineyard bush picnic
- 3rd - Bush market and open farm day
- 5th - Wetlands Discovery Guided Walk
- 6th - Mansfield picnic races
- 9th-10th - Targa high country fest
- 11th - Macrame making
- 17th - Mansfield Agricultural show

This and more. At any time visit the following web pages:

www.mansfieldmtbuller.com.au/event-search

Also for what's happening outside the lodge door visit

www.mtbuller.com.au/Summer/events/event-calendar

Book the Club's Lodge on Mt Buller, and enjoy what Mansfield and the High Country have to offer. Mansfield is a short 30 minutes drive from the Lodge. Contact the Booking Officer Ian Morton on **0403 991 750** or ianmorton@optusnet.com.au.

Walking Trip Based at Mt Buller Lodge

Friday 1 March 2019 to Monday 4 March 2019.

The Club has organized a walking trip at Mt Buller for March 2019. We will stay at the club's ski lodge at Mt Buller for three nights from 1 March 2019 to 4 March 2019. This is your opportunity to come to Mt Buller during the summer time and to stay at the club's own ski lodge which is centrally located in the heart of the Mt Buller village. The lodge is in first class condition and you can drive to the door. If you haven't been to the lodge before this is a special opportunity to experience what the lodge has to offer and to enjoy some walks with members of a group in an

alpine setting. We plan to do day walks on the Saturday and Sunday and the details will be worked out closer to the event. The lodge has 16 beds which include 3 x 4 person bedrooms and 2 x 2 bedrooms. Each bedroom has an ensuite bathroom. It has shared kitchen and dining facilities. The cost for members to stay at the lodge during the summer is \$40.00 per person per night (\$120.00 for three nights) and the cost for visitors is \$50.00 (\$150.00 for three nights).

For planning purposes we would like an early indication of how many people intend to come on this trip. As this is a club event bookings are to be made through the organizers (Trevor and Kim Rosen and Jenny Hosking) rather than through the lodge booking officer as would normally be the case.

In order to secure a booking a 50% deposit of \$60.00 per member or \$75.00 per visitor is required to be paid by 30 November 2018. In order to do this please send an email to Trevor Rosen at kimtjrosen@yahoo.com and I will provide you with bank account details.

Trevor Rosen, **0412 136 124.**

Ronald McDonald House Outback Challenge

The following may be of interest to Club members. It was received from Pippa Wood, Group Volunteering Fundraising Officer at Ronald McDonald House Charities.

The Ronald McDonald Houses in Victoria & Tasmania have just launched their 2019 Outback Challenge. They will be trekking the Larapinta Trail in the Northern Territory in August next year, and thought Melbourne Walking Club members might be interested in combining their passion for walking with an inspiring cause.

Ronald McDonald House provides accommodation for families travelling long distances to receive urgent medical care for their seriously ill children. Across the two Victorian houses it supports nearly 2,000 families every year, while Family Rooms inside the hospitals at Monash, Northern, Sunshine and Albury Wodonga receive over 50,000 visits a year. This challenge will raise funds to help Ronald McDonald House open a new house in North Fitzroy, and help keep the Monash, Parkville and Hobart houses running.

Larapinta is arguably Australia's best extended walk, stretching 223 km across the West MacDonnell Ranges from Alice Springs to Mount Sonder. The challenge will be taking up to 18 people on the trip to Larapinta. The trek is being delivered in partnership with challenge specialists Inspired Adventures and the local indigenous community, ensuring the utmost care, due diligence and a once-in-a-lifetime experience for participants.

For more information about the challenge, visit the website:

<http://bit.ly/OutbackChallenge19>

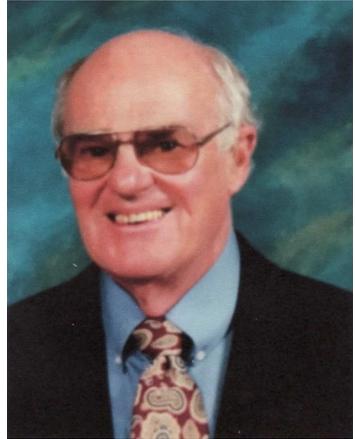

Or email Pippa Wood at: pippa.wood@rmhc.org.au.

Earl Knox Lavender 9th May 1928 - 16th September 2018

His funeral was well attended at Blackburn Uniting Church, where he was a member during his married life.

His three daughters spoke lovingly of their father, and Louise, now a Club member like her father, read again so well a poem "One At Rest", which Earl had requested like at her mother's service. The MWC was represented by 12 associated with the Club.

Earl attended school in Essendon and was trained by the PMG, now Telstra, to be a telephone technician.

He joined the Club at the age of 21 in 1949, was also with the Melbourne Bushwalkers, and as mentioned at the service he knew Australia so well during his lifetime.

John Moore spoke of a USA trip which he led and both Louise and Earl were on it with nine others. The party was larger, but a few opted out when a bear mauled some Chinese at Yosemite. John added that there were no bears for their visit.

Earl met Margaret when they were both in a camera club, and they married and brought up their family in Blackburn. He loved his family, and enjoyed his record collection and using his skills in his neat workshop.

Earl's parents had a mixed business in the forties and he, who happened to be an only child, used to serve in the shop, daughter Megan revealed to us. Girls used to ask in the shop for nail polish, but it wasn't stocked. Earl, who had a bent for chemistry, found that if he boiled down old car side curtains and added something, he had his kind of nail polish which he sold to his girl customers.

Vern Routley remembered Earl with a great mop of hair, which wasn't much left by his late twenties. My theory is that the bottles of nail polish's main selling point was the smiling tall handsome Earl the girls could talk to.

Denis Ward.

The Goldfields Walk Has Re-Opened

Matt Tresidder, Ranger at the Yarra Ranges National Park has advised that the Goldfields Walk in East Warburton has re-opened after many hundreds of hours of work.

The last hurdle was awaiting the completion of a Melbourne Water Project on the Yarra River at the Big Peninsular which blocked access to the start of the walk. Matt is still hoping to do a small amount of re-surfacing works, but the track is once again open to the public. Many thanks to all bushwalkers for your assistance with works and patience with the track being closed for so long. There is still a small section closed (and will remain closed indefinitely) but there is a detour in place and the track is once again a loop walk.

Major Investment in The Great Otway National Park

The state government announced \$2.5 million to improve visitor facilities at three popular sites within the Great Otway National Park as regional Victoria continues to experience an increase in nature-based tourism. Stretching from Anglesea to Princetown and up through the Otways hinterland, the 100,000-hectare Great Otway National Park is one of Victoria's largest and most important environmental and tourism locations.

Maits Rest, Melba Gully and the Cape Otway Lightstation will benefit from upgrades that will be delivered by Parks Victoria in 2019.

Maits Rest, a rainforest area that receives 150,000 visitors each year, will have its popular 800-meter boardwalk upgraded with a contemporary design that will conserve its unique environment.

There will also be improvements to the site's walking tracks, pedestrian bridges, viewing platforms, carpark, and visitor interpretation signage.

Melba Gully, known as the Jewel of the Otways, will undergo general improvement works and be a key destination for visitors during the works at Maits Rest.

Cape Otway Lightstation, which includes mainland Australia's oldest surviving lighthouse, will receive upgrades to its carpark and toilet facilities.
