FedWalks 2022 – Wangaratta

A Weekend of Walks, Wildflowers, Warbys and Wangaratta!

Benalla, Border, Murray Valley and Warby clubs are hard at work planning October’s Federation Walks event. Based in Wangaratta in Victoria’s north-east, the event will take place on 1–2 October. The organisers aim to put together a really enjoyable weekend, with a program of walks and other activities for people with a wide range of abilities and interests.

The Warby Ranges, part of the Warby-Ovens National Park, are renowned for their interesting and sometimes challenging tracks, as well as an abundance of wildflowers at that time of the year. Nearby is the historic area around Beechworth and, not too far away, the Alpine Region, where Mt Buffalo beckons enticingly.

There are a number of cycle paths in the area, including the Murray to Mountains Rail Trail. The program may also provide the opportunity to paddle along parts of the Ovens River.

An easily-accessible base in Wangaratta will be used for registration,
