### Update of Membership Register

Every December we send out an updated Membership Register reflecting the changes in Membership during the year. Any contact detail changes that members have advised me of during the year are also included.

This is a good time for Members to check their entry in the Register and let me know (by the end of November) of any changes in address, phone number or email. Even if you receive your Circular and other information by snail mail, if you have an email address please send it to me. This is important so we can reach Members quickly should there be an urgent need; for example, a last minute change in the arrangements for a walk or other activity. There are 24 Members who we cannot contact by email.
